

Chorus

Cant count Cant count Cant count (Cant count)
Cant count Cant count Cant count too much (what)
Cant count how many fucking bodies that I got
Can't count how much fucking money that a nigga got
Cant count Cant count Cant count (Cant count)
Cant count Cant count Cant count too much (what)

Verse

Let me be still time to take a be reel (be reel)
I know I'm the truth so nigga lma be real
Don't fuck with me unless you wanna be killed
Drop yo ego when you step up nigga be still
I'm so fucking abundant don't need no refill
All I want is some hundreds don't want no lil bills
Can't count but ion need to (ion need to)
I can't fuck it up don't need no redo
Finna turn it up because I think I found my zone
Lil bih from Virginia she not lil but call me bones
Hate bitches that act like they wanna be friends but want my bone
I'm ghost as fuck mind yo business you can't see what I'm on
Got so many fucking flows I can't even count nomo
I just trust myself cuz im the only one im counting on
Gotta make a move (move)
Get up out my way (way)
Cuz you moving slow (slow)
Gotta play yo role

Chorus

Cant count how many fucking bodies that I got
Can't count how much fucking money that a nigga got (cant)
Cant count Cant count Cant count (Cant count)
Cant count Cant count Cant count too much (what)
Too much too much too much (cant count)
Cant count Cant count Cant count (Cant count)
Cant count Cant count Cant count too much (what)
