

Intro

Yah Yah Yah Yah

I'm Acting up I'm Acting up I'm Acting up I'm Acting up

Chorus

Oh my goodness

I'm swaggy then a bitch

I bag it up

I'm known to talk my shit then I back it up (back it up back it up)

Move like my shit don't stink

Yeah I'm acting up

Yeah I'm acting up

Verse

I'm acting up

I gotta do something different for a better result

My mouth so filthy that I clean it with soap

I'm so whole I move like I am the pope

I'm the realist shit that I ever wrote

I'm the realist from here to infinity

isAin't nobody better, u you kidding me?

Opportunity never pass it up

Just say the word and we gone run it up

Pour a lil drink I'm filling up my cup

Take a breath slow it down

My light shine so fucking bright I can turn yo frown upside down

All I know is live my life not dead no I'm not living down

I'm Acting up I'm Acting up I'm Acting up I'm Acting up

I'm Acting up I'm Acting up I'm Acting up (what!) I'm Acting up (what!)

Chorus

Oh my goodness

I'm swaggy then a bitch

I bag it up

I'm known to talk my shit then I back it up (back it up back it up)

Move like my shit don't stink

Yeah I'm acting up

Yeah I'm acting up

Verse

Backing up my words (words)
Back it up from me, you get on my last nerves
Looking past all of yo red flags cuz I see yo curves
Speaking up, to get what I want gotta use my words
I'm an animal
You look edible
I done seen you for the second time I'm on a roll (on a roll)
Ain't no talking when I walk you down I'm all on you (what!)
I'm all on you I'm all on you (what!)
