

Yah Yah Yah (Yah)

On fire
I'm on fire
I'm on fire
It's going down tonight
I'm on fire right now
I'm on fire right now
It's going down right now
It's going down right now

I'm so high (so high)
It's going down cuz you know I'm so fly
Living this life like it's my last (my last)
Tonight gone be the night that I set something on fire (fire)
Got this fresh fruit in my system I'm flying
Got these drugs in my system too (woo)
Mix em up they just might make a soup
Turn it into a vegetable (bah)

It's going down tonight
I'm on fire right now (I'm on fire right now)
By the time that I get in my zone you better know that it's going down (it's going down)
It's going down tonight
I'm on fire right now (right now)
By the time that I get in my zone you better know that it's going down (going down)

On fire (on fire)
I'm on fire (bah)
I'm on fire (bah)
It's going down tonight
I'm on fire right now (what)
I'm on fire right now (what)
It's going down right now (say what)
It's going down right now

Say it with your chest when you talking to me
I stand on ten toes I do not tippy-toe
Better know yourself when you walk up to me
When you walk up to me you better have your shit together
I know I'm a god cuz I can change the weather
Once you get with me it don't get any better
Make sure to keep my heart lighter than a feather (what)(yah)

It's going down tonight (It's going down tonight)
I'm on fire right now (I'm on fire right now)
By the time that I get in my zone you better know that it's going down (it's going down right now)
It's going down tonight (It's going down tonight)
I'm on fire right now (I'm on fire right now)
By the time that I get in my zone you better know that it's going down (it's going down right now)

On fire (on fire)
I'm on fire (bah)
I'm on fire (bah)
It's going down tonight (woo)
I'm on fire right now (what)
I'm on fire right now (say what)
It's going down right now (say what)
It's going down right now
