

Yah

All I gotta do is turn it on rapping this shit off the dome
Rapping it so I don't write it wrong
You know that I'm with you right or wrong
You know I'm always gonna win it don't matter what side I'm on
You know I'm always gonna win (what side im wassup) it don't matter what side I'm on (wassup wassup wassup)

It don't matter what side I'm on I'm a walking dub (dub)
Need me a few thousand racks up front before I walk in this club (what..what)
I want the bad bitches by my side cuz they gone show me love (love)
Damn that ass look fat when you walking past come give me a hug
I'm out here popping my shit out in these streets but I'm not a thug
I'm in here popping my shit cuz I know I'm the shit but I want love (I want love)
Better when I'm on my shit
Better when I'm on my shit yah yah (yah yah)
I just been on my shit
I just been on my shit yah yah (yah yah)
I been fiening for this shit my body got a fucking itch (yah yah) Yah
You know that you not on shit stay the fuck away from me bitch (yah)
All I know how to do is be me I don't even know how to switch
(wassup wassup)
2-2-2 Yo

All I gotta do is turn it on rapping this shit off the dome
Rapping it so I don't write it wrong
You know that I'm with you right or wrong (right or wrong)
You know I'm always gonna win it don't matter what side I'm on (side I'm on)
You know I'm always gonna win it don't matter what side I'm on (side I'm on)
