

(He already knew he forfeited his life right then and there)

Verse

It was at this moment that the nigga knew that he fucked up
You shouldn't even hit my phone with that bullshit now I'm like wassup
He sending me texts like "nigga you this... nigga you that."
And I'm just like (okay okay) (yeah)
Yeah Yeah
I forgot to give a fuck today my bad (my bad)
Huh Niggas mad
Niggas sad
Niggas mad that they can't fuck with me
You can't fuck with me
You can't fuck with me
Nah You can't fuck with me
Like like yeah like yeah
It's not fair It's not fair
Like yeah like yeah
It's not fair no It's not fair
Like yeah like yeah

Verse

Right there in that moment yeah you know you fucked up
